

CAROLINA COLOURS DOG PARK
REGISTRATION

Please return registration to Ken Gerhardt at the Pavilion

The Carolina Colours dog park ("Park") is owned by the Carolina Colours Association, Inc. ("Association") and is available as an amenity to Carolina Colours property owners. Access is allowed to those owners registering for use. Access privileges may be withdrawn by the Association should an owner violate Park rules, behave in a manner deemed by the Association to be offensive or dangerous or own a dog that is determined to be unsuitable for socialization with other dogs.

The Park rules are attached hereto and may be changed by the Association at any time. Notice of change shall be emailed to all registered dog owners. By signing this registration, the undersigned acknowledges that he and/or she have read the rules and agree to abide by them.

The undersigned acknowledge and agree that they and their dogs use the Park at their own risk. None of the Association (and its officers, directors employee and agents), Overlook Holdings LLC (and its managers, officers, employees and agents) or Land Concepts and Solutions LLC (and its managers, officers, employees and agents) shall have any liability or responsibility for injury to person, pet or property while on the Park property or while in transit to or from it. Owner and his or her allowed guests utilize the park at their own risk. NO INSURANCE IS MAINTAINED TO REIMBURSE ANY PARK USER FOR ANY LOSS OR INJURY. Furthermore, no authorized Park user shall be liable for damage or injury to any other user or the pet of any other user unless such user was grossly negligent, acting intentionally or recklessly or was intentionally disregarding Park rules. INJURY TO PERSON OR PROPERTY IS A REALISTIC CONSEQUENCE OF HAVING DOGS OFF LEASH AND PLAYING WITH EACH OTHER. That risk is accepted by use of the Park.

By signing this Registration, the undersigned affirm that all dogs under their supervision have received the following information (and vaccination as required by law) that their dog(s) do not have any known communicable disease and if one is contracted, will not allow use of the Park by such dog and that no dog using the Park has any history of dangerous or aggressive behavior towards other dogs
