

## Carolina Colours Lending Library

The library functions on an honor system but following the protocols will maximize the ability of our residents to enjoy this great resource.

**BORROWING POLICY:** *Please take no more than two books (puzzles, tapes, etc.) at a time and return those books before you take additional ones.* Put returns in the basket, as you cannot imagine how many books we find out of place. Many dozens of books have been taken and never returned! Help us out and when you borrow a book write PAVILION on its back page or page edge before returning.

**DONATION POLICY:** Over the past half dozen years, we have learned what books get borrowed frequently, which get borrowed occasionally and which almost never go out. Based on this we are asking that you limit your donations to the following (and we are now taking donations):

- A) Books in good condition;
- B) Relatively new fiction, with emphasis on best sellers, popular authors and book club type books;
- C) Relatively new non-fiction, particularly biographies, political books and historical books;
- D) Relatively new cook books, children's books, sports books and science fiction; and
- E) Other books only to the extent you believe they would have broad appeal.

**PLEASE DON'T JUST BRING BOOKS TO GET THEM OUT OF THE HOUSE.** Don't bring "how to" books, Bibles, biographies of obscure people, non-fiction dealing with obscure subjects, 30-year-old best sellers, etc. Also, bring nothing that requires obsolete technology to use. We also are not taking additional puzzles at this time.
