

CAROLINA COLOURS
FAMILY, SEASONAL & RETIREMENT LIVING

Carolina Colours Google Group Protocols

The intent of the group is to allow communication among owners about matters of general community interest. Subjects appropriate for the group include announcements of upcoming events, items for sale, lost pets, questions about service providers, etc. There are a number of communications that are inappropriate, including:

- Political solicitations or opinions. Information about where and when to vote is fine, but please don't advocate for or against any individual candidates, parties, or issues.
- Forwarded pictures, jokes, stories, etc.
- Items of a personal nature best said one on one.
- Commercial messages (other than an individual owner selling an item).
- Propaganda or proselytizing.
- Rumor spreading.
- Anything that would be likely to be offensive to any recipient.

When group addresses are sent to you, **DO NOT** share the addresses with anyone not a property owner in Carolina Colours.

If you have multiple items for sale, please try to group them into one email (or as few as possible).

When responding to a message from the group, please **DO NOT HIT "REPLY ALL"** unless you really intend to reply to the entire group. Please hit "REPLY" to send a response to the original sender. Here's a suggestion which will keep unintended email traffic to a minimum:

- Under TO: Send to yourself.
- Under Blind Copy (or BCC): Enter the Carolina Colours Google email (carolinacolours-email@googlegroups.com).
- This way when anyone accidentally hits reply all, it will still just come back to you, and not the whole group. If anyone REALLY wants to reply to the entire group, just add the group email to the BCC field in your reply.

If you have a problem with an individual message and feel the need to respond to the sender, **PLEASE DO NOT REPLY ALL!!!** Please reply directly to the sender and CC me at slhuston7@hotmail.com.

The bottom line is, please be respectful of your neighbors. Don't send messages (or responses) to the group that you wouldn't want to have in your inbox.

If you have any questions or suggestions, please send an email to Stuart Huston at slhuston7@hotmail.com.
