

CAROLINA COLOURS  
FAMILY, SEASONAL & RETIREMENT LIVING

## VEHICLE STORAGE INFORMATION

The Board of Directors of the Carolina Colours Association, Inc. has approved the following rate schedule for those desiring to place an oversized vehicle, boat, or trailer in the new Association lot:

- |             |                |              |
|-------------|----------------|--------------|
| 1. 10 by 30 | \$300 per year | 9 available  |
| 2. 12 by 30 | \$325 per year | 23 available |
| 3. 12 by 40 | \$350 per year | 10 available |

There is one 14 by 30 space which rents for \$450 per year.

The facility is fenced in with a code access automatic gate. It has a rocked surface and is not covered. If you wish to reserve a space, see Ken Gerhardt, Association general manager, at the Pavilion. You must sign a release agreement prior to placing any property within the facility. Spaces are available on a first come, first served basis. Once signed up, you may move property into the facility in the space assigned to you.

All rental payments are due in advance when the rental agreement is signed. All those signing up during a year will pay a pro-rated rent through the end of the year. After this year, all rentals will renew on a calendar year basis. The rental agreement will provide the terms upon which occupancy is dependent.

**Return your vehicle information directly to Ken Gerhardt at the Pavilion. If you have questions, please contact Ken at 252-772-0201 or**
